

DARIUS JACKSON

New York, NY | 484-756-5084 | DariusJax99@gmail.com | [Portfolio](#) | [LinkedIn](#)

Creative professional with a background in UX/UI design, client communication, and project coordination. Skilled at managing schedules, events, and cross-functional projects in fast-paced environments. Passionate about music, design, and building meaningful experiences.

EXPERIENCE

Freelance UX/UI Designer

Remote | 2025 – Present

- Lead end-to-end design projects across multiple industries-from discovery through high-fidelity prototyping
- Conduct user interviews, synthesizing insights, and building personas to inform product direction
- Create wireframes, mockups, and interactive prototypes using Figma, aligning designs with brand strategy and usability principles
- Facilitate handoffs to developers and ensure UI consistency across platforms
- Manage project timelines, client feedback loops, and design revisions independently
- Collaborate with writers, photographers, and other creatives to deliver cohesive digital experiences

Call Specialist & Scheduler

Answering Services for Directors (ASD) | 2024 – Present

- Manage high-volume communications across phone, email, and digital channels
- Coordinate appointments, deliveries, and time-sensitive requests with precision
- Support logistics for events and maintain calendars to prevent conflicts

Construction Foreman & Laborer

Local 413 Union | 2019 – 2024

- Managed 5–10 person teams on complex deadline driven projects
- Served as communication hub between stakeholders, ensuring alignment and clarity
- Created adaptive schedules and led daily stand-ups to maintain momentum
